Now, after 20 years of gradual preparation, he brings this most famous of all Frenchmen to life on the talking screen in Warner Bros. picture, 'Voltaire,' which opens Sunday at the Avalon Theatre in Wilmington.

It is a notable and magnificent production, said to exceed in dramatic quality even the far famed 'Disraeli' and marks the high spot of the career of the world's most distinguished living actor.

Sumptuously mounted in sets of exceptional size and magnificence, 'Voltaire,' according to advance reports, unfolds a gripping melodrama in an atmosphere of breathtaking beauty and grandeur.

On the same bill is shown Edward E. Horton and Edna May Oliver in 'The Poor Rich.'

Popularity of Scotch Nights Is Increasing

Lomita Theatre Is Winning Many New Customers With Accommodating Schedules

Popularity of 'Scotch Nights,' Wednesday and Thursday of each week at the Lomita Theatre, is increasing, according to Manager J. D. Baker who inaugurated this special event several weeks ago. On Scotch nights the whole family is admitted to the theatre at the low price of ten cents each, which makes it an inducement to attend regularly.

As an accommodation to night workers who are deprived of theatre-going privileges, Manager Baker has also provided a Thursday afternoon matinee, and continuous shows on Saturday and Sunday. Excellent pictures are shown, and the program is varied and entertaining all the time.
